Driving Pleasure

THE BMW X1. ORIGINAL BMW ACCESSORIES.

JOY ALLOWS ENDLESS POSSIBILITIES.

LIVE LIFE TO THE FULL.

The world is full of extraordinary experiences and inspirational places. The BMW X1, with its exceptional versatility and dynamic power, allows you to reach out and discover them – whenever you choose.

What's more, thanks to the innovative ideas and exciting functionality of Original BMW Accessories, along with a wide range of options from the factory, your BMW X1 can become an even greater all-round performer. And that means your imagination can run completely free. With Original BMW Accessories, you can fulfil your own, uniquely personal wishes for the exterior and interior, for communication and information or for transport and luggage solutions. Embrace every possibility to live life to the full in your BMW X1.

1

INNER QUALITY FOR THE WORLD TO SEE.

ORIGINAL BMW EXTERIOR ACCESSORIES.

1 M Aerodynamics package

Emphasises the sporty character of the BMW X1 for an even more dynamic look. Perfectly matched in design and functionality, the M Aerodynamics package includes front and rear bumper covers, air ducts and sill covers.

X Line (see cover)

Bumper and side skirt panels reinforce the strikingly sporty profile of the BMW X1. Available in matt Silver.

1 Front grille, black

Surround and kidney slats in black. Underscores the dynamic character of the BMW X1.

1 19" light-alloy wheels Double-spoke 465 Ferric Grey

Cast.

2 19" light-alloy wheels V-Spoke 324 Ferric Grey

Cast, burnished rims.

3 19" light-alloy wheels Star-spoke 311, chrome (see p3)

Cast. Also available in Silver.

4 18" light-alloy wheels Y-Spoke 322

Cast.

5 18" light-alloy wheels Double-spoke 321

Cast.

6 Wing mirror caps, carbon

With a sporty, high-tech look and perfectly matched to the BMW X1. Hand-crafted and with a clear lacquer finish.

7 18" light-alloy wheels Double-spoke 355 M

With a sporty look, dynamic styling and the four-colour M logo.

8 18" light-alloy wheels Honeycomb styling 323

Cast, burnished rims.

Complete winter wheels (not pictured)

17", available with and without runflat tyres.

9 Black Line rear lights

For an even more expressive rear profile. Indicators feature clear crystal-look lenses and diadem® chrome bulbs. Rear and brake light sections in dark red.

10 Mud flaps

Protect your car and the vehicle behind you against dirt and loose chippings. Available for front and rear wheels.

11 Snow chains

Designed for use with BMW tyres, they are easy to fit and offer optimum grip on snow and ice.

Car cover outdoor (not pictured)

Washable, easy to put on and take off and tailored precisely to the BMW X1. In a silver colour, it is also heat-proof, dirt and water-resistant. Available for the windscreen and front side windows or for the whole vehicle. With ventilation openings and BMW logo.

11

CREATE YOUR OWN ATMOSPHERE.

ORIGINAL BMW INTERIOR ACCESSORIES.

1 - 4 Travel & Comfort system

This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table, universal hook or Apple iPad holder (see p12) can then be fitted. The **coathanger** allows clothes to be transported without creasing. It can also be detached from the mounting and used to carry clothes outside the vehicle (pic 4). The **folding table** gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable. It also includes a foldout cupholder with a stylish chrome ring. The **universal hook** offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

5 Smoker's package

Comprises a cigarette lighter and ashtray in the front of the centre console or in the optional detachable cupholder.

6 LED torch, rechargeable

This pocket-sized torch can be connected to the 12V socket for charging.

7 + 8 Glasses and CD/DVD holder

Twice as functional, twice as easy. Simply attach to the sunshade and it's done. CDs or DVDs can be stored on the inside, a pair of glasses on the outside. Two further variants available, with either beige or red detailing.

Key case (not illustrated)

Tailor-made and in high-quality black leather. Protects against scratches, dirt and water splashes. Also prevents unintentional key activation.

1 - 3 Floor mats

Dirt-repellent and water-resistant.

All-weather floor mats (pic 1), available in Anthracite.

City floor mats (pic 2), available in Anthracite.

Velour floor mats (pic 3), in Anthracite, Beige and Anthracite/Oyster.

1 Stainless steel pedals

An elegant detail in the footwell.

4 Rear seat protector

This separable cover protects both the rear seat bench and door linings. Water and dirt-repellent, it features openings for three-point belts which also allow items such as the dog safety harness to be fitted.

5 Storage net in footwell

On the left side of the front passenger footwell. In two sections and supplied with warning jacket.

BMW umbrella with LED light (not pictured)

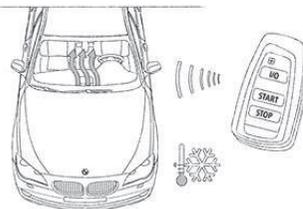

Mounted in the front passenger footwell for easy access and with a matching holder. With removable LED torch in the handle.

LED interior lighting package (not pictured)

Daylight-white light creates a modern ambience as well as pleasant brightness. The long-life LED modules can be run directly from existing outlets and are suitable for a variety of interior lighting. They also consume very low levels of energy.

6 Cool bag

CFC-free electric cooler which chills its contents to approx. 20° C below the temperature inside the vehicle. Capacity: 14 litres.

**10****7 BMW junior seat I-II, with/without ISOFIX**

Suitable for children weighing 9 to 25kg (age approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. Available in various colour schemes.

7 Sunscreen

Quick and easy to attach to the rear windscreen and rear side windows. When not in use it can be stored in the bag supplied.

8 BMW Baby Seat 0+, with/without ISOFIX

Designed for children weighing between 3 and 13kg (age up to around 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the reboard frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

Clean Bag (not pictured)

This textile bag with a removable plastic liner can be quickly and easily attached to the nets on the seat backs.

9 Backrest bag, black

Perfectly fitting bag attaches easily to the rear of the driver's or the front passenger's seat. With compartments in various sizes for smaller items. Also available with red or beige detailing.

9 Rear storage bag

A combination of exceptional design and intelligent functionality. Attached to the back seat with the centre seat belt, it can be packed with items at home and provides useful additional storage, including two exterior cupholders. Made from hard-wearing material. Two further variants available, with either beige or red detailing.

10 Auxiliary heating

Warms the car's interior in winter before you start your journey. In the start-up phase, the engine is also protected and fuel consumption is reduced by the preheated cooling circuit. Activated by remote control or directly via the onboard system.

1 BMW rear DVD system

Includes a monitor with 7" colour display integrated into the centre console and a DVD drive. The DVD system plays video DVDs and audio CDs in superb quality. It can also display JPEG images and play back music tracks (incl. MP3 format) and videos via standard-format data CDs, USB sticks and USB drives. When the monitor is not in use, it pivots 180 degrees and folds into the armrest to protect it from damage. It also features AV input which can be used, for instance, for video cameras or games consoles.

2 CD changer

Integrated into the luggage compartment. For up to six CDs (also MP3 CDs).

3 Infrared stereo headphones

Specially designed for use with the rear Tablet DVD system (pic 1). They are exceptionally comfortable, while

delivering outstanding sound quality and allowing users to individually control their listening volume.

4 BMW tablet DVD system

Consists of two portable seven-inch monitors, plus two holders attached to the headrest support bars. The DVD system can be plugged in to the vehicle's 12V power socket. The DVD player, integrated into one of the monitors, can play video DVDs plus photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors' built-in loudspeakers or headphones such as the infrared stereo headphones from BMW.

CUTTING-EDGE ENTERTAINMENT ON BOARD.
ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

1

1+4 BMW Car Hotspot

Need to check your bank balance on the move, or look something up on Wikipedia? The BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various devices, including an iPad, laptop and games consoles, can all access a wireless internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot, or a mobile phone with a SIM access profile. The BMW Car Hotspot is fitted into the centre armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status. International roaming can be switched off by the user. A roof aerial ensures optimum signal reception and minimizes radiation in the interior. A BMW Car Hotspot for the upcoming LTE mobile communications standard is in development.

2

2+3 Apple iPad holder

In combination with the BMW Car Hotspot, this allows passengers in the rear to make full use of all the functions of their iPad. Using the holder, any iPad can be securely mounted on the base attachment of the Travel & Comfort system (see p7), and released at the touch of a button. The position of the device can be adjusted for maximum comfort and ease of use whether you are reading, watching videos or sending emails. Thanks to an integrated stand, the holder can also be used outside the vehicle.

5 BMW Station for Apple iPhone

The BMW Station is a landscape or portrait-format holder in the instrument panel. It connects your iPhone to the vehicle audio system with no visible wiring and has a hands-free function with high-quality microphone, a GPS aerial and a battery charging function. Where the BMW Link application is also in use, audio output for navigation prompts and phone calls is via the vehicle loudspeakers, even when the CD player/radio is being used to play music. Volume can be controlled using either the BMW radio or the multifunction steering wheel. The design blends seamlessly into the interior of your BMW.

3

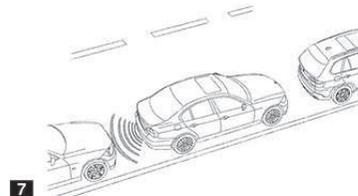

4

6 Snap-in media adapter

Secure and stable docking system for Apple iPhone 3G/3GS/4 and 4S with specific mounting for every car model. Optimum network connection is ensured by the vehicle's external aerial. An integrated USB/audio interface makes for convenient connection of music and video players in the mobile phone (without the need for an additional cable). With Cover Art, the album cover related to the music track (audio file) currently being played is shown in the vehicle display. This allows you to easily identify the artist or album as you listen. The system is also suitable for using Apple applications. Additionally, through an optional snap-in adapter, music files stored on a phone can be played through the car's audio system without the need for an adapter cable.

6

7

7 Park Distance Control

Enables easier parking and manoeuvring in confined spaces. The distance between the car and an obstacle is indicated acoustically and, depending on equipment, shown in the Control Display.

8 BMW Portable navigation system

The perfect combination of sophisticated functionality and cutting-edge design. The latest generation of the BMW Portable navigation system blends seamlessly into the vehicle, with no visible wiring. The device is held securely in place and navigation prompts are relayed over the vehicle's loudspeakers. It also includes various advanced features as standard, such as Lane Assist and 3D building and junction views.

➤ For more information on BMW Portable navigation systems and the latest accessories that go with them, see the Accessories section of the BMW website.

9 Rear View camera

Clearly shows the area behind the vehicle on the Control Display. Interactive lane lines are shown, for example, so the driver can check if a parking spot is big enough. The Rear View camera is switched on automatically when reverse gear is selected (availability depending on equipment).

Adapter for Apple iPod/iPhone (not illustrated)

Adapter to connect your Apple iPod or iPhone to the audio system for the display of tracks or playlists. Your Apple iPod or iPhone is charged via the adapter as

you drive and can be controlled via the multifunction steering wheel, the iDrive Controller or the radio.

10 Digital roadmaps

Up to 15 per cent of the road network changes every year – but with the latest digital street maps, you are always kept in the picture. With an update, the navigation system will show you the most efficient route to your goal, saving time, fuel and protecting the environment. What's more, each update includes many new points of interest across 32 categories, including sight-seeing and shopping centres, over one million destinations and, depending on country version, integrated congestion warnings from the RDS/TMC (Traffic Message Channel) functions so you can gain more time by simply avoiding other hold-ups. The digital maps are available according to model as an annual update, including certificate, on DVD or USB stick.

10

EXCEPTIONALLY FUNCTIONAL SOLUTIONS.

ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

1 Rear carrier, lockable

For carrying two bicycles. Even when loaded, the carrier can be lowered out of the way when you want to open the tailgate. It can be attached quickly and easily to the screw points of the tow eyelets and is therefore suitable for vehicles without a tow bar.

2 + 3 Bicycle holder for tow bar, lockable

For carrying up to two bicycles (also e-bikes). An extension set for a third bike is also available. The holder and bicycles are secured against theft. The holder can be folded up and stored in the boot (pic 3).

4 Tow bar, lockable

Can be used for trailer weights of up to 2,000kg, depending on model (with a nose weight of up to 80kg). With trailer stability control.

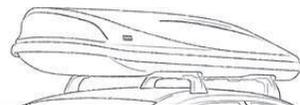

Driver utility set (not pictured)

For your home or journey. Includes selected tools with the BMW logo, such as bit-holder with chromed blade and 16-piece bit set. Also includes: pocket knife, pocket lamp and nylon gloves. In a robust nylon wallet with embossed BMW logo.

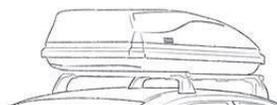

Battery charger (not pictured)

The charger is handy and easy to use. Simply plug it into the socket in the luggage compartment and start charging. Two versions are available with a maximum charge current of 3.6A or 7A. Charges 12V batteries with a capacity of up to 225Ah (version 7A) and ensures maximum battery life. Ideal for vehicles used seasonally or for short journeys.

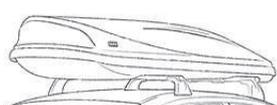

1 BMW roof box 460, LxWxH: 230 x 82 x 37cm

BMW roof box 350, LxWxH: 140 x 90 x 39cm

BMW roof box 320, LxWxH: 191 x 64 x 39cm

1+2 BMW roof boxes

Available in three sizes: 460 (pic 2), 350 and 320 litres. Easy to load thanks to an innovative system that opens from both sides (roof boxes 350 and 460). Features triple central locking for maximum security.

Ski rests in roof box (not pictured)

Available for BMW roof boxes 460 and 320.

1-8 BMW base support system, lockable

Maximum permissible roof load: 75kg. The support bars are made of high-strength aluminium tubing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements. Available for vehicles with roof rails.

3 Surfboard holder

With board supports made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

4 Ski and snowboard holder, lockable

Suitable for carrying up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

Raised carrier bars (not pictured)

For the BMW ski and snowboard holder. Increases the distance between the ski bindings and the roof by 25mm.

5 Racing cycle holder, lockable

Suitable for bicycles with quick-release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

6 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 80mm. A bike can be quickly attached to the holder with a simple mounting system and secured with a twist mechanism at the same height as the base support. Also suitable for mountain bikes.

7 Universal holder

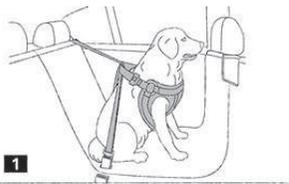

Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning belts.

8 Luggage rack

For the safe transport of bulky items. The luggage rack is fixed to the base support system and has a high load capacity. In sturdy lightweight aluminium, rust-proof and easy to fit.

➤ For detailed information about the entire range of Transportation & Luggage solutions, see the BMW website.

1

1 Dog safety harness

Available in a choice of three sizes, the harness is designed to secure dogs on the rear seat bench, thereby enhancing the safety of passengers. The dog's lead can also be attached to the harness.

2 Ski and snowboard bag

Unlike other similar products, this allows up to four pairs of skis or three snowboards to be transported cleanly. It attaches securely to the front lashing eyes in the luggage compartment, is easy to detach and also has two wheels so the bag can be pulled with ease outside the vehicle. Tested according to high BMW quality and safety standards. Two versions available, with either beige or red detailing.

3 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

Storage net in luggage compartment (not pictured)

For securing small items. Attached to the rear seat back.

4 Loading sill mat

This padded non-slip mat folds out over the loading sill to protect it against damage. It also provides a place to sit.

4 Luggage compartment mat, fitted

Non-slip, precision fit mat in durable plastic. Oil and solvent-resistant.

5 Luggage compartment mat, reversible

Reversible mat features one velour and one anti-slip plastic surface. When unfolded, the mat covers the folded down rear bench. With protective mat for the loading sill.

6 Luggage compartment tray

Shatter-proof, impact and acid-resistant. The tray is also a seamless fit with luggage compartment.

7 Luggage compartment net

Secures a variety of items quickly and safely. Attaches to existing eyelets.

Powder fire extinguisher (not pictured)

Ready for use under the seat.

Lines folding box (not pictured)

The non-slip Lines folding box with rubber studs can be folded up when not in use to save space. It is also watertight and features a strap inside for securing bottles, for example. Available in two sizes with a red or beige trim and BMW side lettering. Also in black.

JOY CARES NATURALLY.

NATURAL CARE – THE ECO-FRIENDLY WAY.

Connecting the joy of driving with sustainability is a guiding principle for BMW. Our Natural Care products are a clear response to this aspiration. An environmentally sound and sustainable approach is adopted at every step – from the selection of raw materials and energy-efficient manufacturing through to safe application and recycling of the packaging. The products are predominantly made from natural raw materials, such as tensides and bio-alcohol from sugar beet, as well as canaba wax and linseed oil. Along with their eco-friendly attributes, the dermatologically tested Natural Care products also offer efficient and powerful action.

Learn more about the range of Natural Care products and other Original BMW Care Products on the BMW website.
